SUMMARY

A distinguished Best Outstanding Graduate (S.E.) of the Islamic Economics program at the Islamic University of Indonesia, graduating Magna Cum Laude in 3 years and 7 months with a 3.93/4.00 GPA and an "A" grade on the thesis. Currently advancing the national sharia ecosystem through a Promotion Division role at the National Committee for Islamic Economy and Finance (KNEKS). Holds the Certified Islamic Money Manager (CIMM) professional credential and demonstrates proven high-level leadership as the FoSSEI National Coordinator for Cadre Development, managing human capital strategies across 250 university chapters. Backed by an extensive public education track record as an OJK National Sharia Financial Literacy Ambassador, with specialized expertise in institutional communication, digital storytelling, and stakeholder management within the Islamic finance and halal industry sectors.

WORK EXPERIENCE

**National Committee for Islamic Economy and Finance (KNEKS) |
Promotion Division Internship**

July 2026 – Present

- **Strategic Promotion & Branding:** Actively contributing to national-scale promotion strategies to accelerate the development and public adoption of the Islamic economic and finance ecosystem in Indonesia.
- **Event Management (Adinata Syariah 2026):** Served as an active committee member for Adinata Syariah 2026, coordinating operational workflows, stakeholder engagement, and promotional activities for a flagship national event that successfully engaged participants across 17 provinces in Indonesia.
- **Industrial Engagement:** Represented the institution and participated in Halal Expo Indonesia (HEI) 2026 to support halal industry integration, networking with key industry players, and strengthening public awareness of the sharia economy.

Islamic Economic Society (MES) DIY | Volunteer & Event Coordinator

October 2025 – July 2026

- **Event Coordination & Moderation:** Orchestrated the technical execution and served as moderator for a strategic Focus Group Discussion (FGD) in collaboration with Bank Indonesia and KDEKS DIY, focusing on "Sharia Economic Development Direction & Collaborative Strategy 2026".
- **Strategic Commission Facilitation:** Directed 6 strategic sector commissions (including Halal Industry, Islamic Finance, and Sharia Creative Industry) to formulate measurable policy recommendations for regional economic growth.
- **Stakeholder Management:** Managed high-level relations with VIP guests and keynote speakers for the National Workshop of BMT 2026, and coordinated the "Arisan Wakaf" program which successfully mobilized nearly IDR 1 Billion in cash waqf.
- **Disaster Relief Leadership:** Spearheaded a national fundraising initiative, successfully raising IDR 9,267,000 for disaster-affected regions in Sumatra.

PT Asuransi Jasindo Syariah | Industrial Internship Program

Oktober 2025 - Desember 2025

- **Operational Compliance & Administration:** Managed operational workflows and validated insurance policy documents in strict accordance with Sharia principles, achieving a 100% accuracy rate and securing a final "A" grade.
- **Educational Outreach:** Actively participated in the "Jasindo Goes to Campus" initiative at UGM Vocational School, delivering educational sessions to students on Sharia-compliant risk management and asset protection.
- **Process Optimization:** Identified 3 critical documentation bottlenecks, leading to a 15% increase in corporate administrative processing efficiency.

- Digital Literacy Initiative: Conceptualized and produced innovative educational content for TikTok (@jasindosyariahdiy), significantly expanding Sharia insurance literacy among Gen Z and Millennial audiences.

Department Student Staff - Islamic Economics UII

2023 - 2025

- Digital Communication Strategy: Spearheaded the official social media management for the study program, producing creative educational content that reached 34,700+ views.
- Community Building: Successfully grew a dedicated community of 663 followers and enhanced department branding through strategic digital storytelling and student engagement.

Islamic Mini Bank Laboratory FIAI UII | Secretary

2023 - 2024

- Administrative Accountability: Prepared comprehensive Accountability Reports (LPJ) with high transparency and precision for all laboratory activities.
- Standard Operating Procedures (SOP): Managed daily laboratory operations and standardized the reporting system to ensure seamless Islamic banking simulations for students.
